Since the Invasion of the Netherlands in May 1940 No Shipments could be made from our Nurseries over there, so should these conditions remain we here in New York shall again endeavour to serve our customers with non-Holland grown stock and early information about wants or prospective wants shall be highly appreciated.

We thank the many friends for their loyalty and the so overwhelming expressions of sympathy in behalf of our Holland people and the business in connection with this cruel invasion.

Most Sincerely Yours,

Flowerdale Bulb & Plant Co.
